

The Council Information Point

The Council Information Point, situated in the Town Hall, is open Monday to Friday between 9.00am and 4.00pm. Funded tri-partly by West Somerset Council and Somerset County Council together with the Town Council, this office provides a central point where enquiries about all areas of Council services can be dealt with. If the exact answer to a question is not known, then certainly information on where to find the answer almost always is. Enquiries on subjects as diverse as refuse collection, street lighting, highway matters, trading standards and education, to name but a few, are handled by the Information Officer.

Minehead Council Information Point can be contacted by telephone on 01643 707213, by fax on 01643 705152 or by Email: info@minehead.co.uk
